

Welcome to the Places of Worship Heritage Trail

We hope you'll enjoy your walk around Handsworth and Lozells, learning about the rich variety of religious communities who live alongside one another in a relatively small area. See overleaf for more details.

The trail will take you through a culturally diverse area, so as well as the places of worship you will encounter people, shops, food and clothing from around the world that have all made their home in this part of Birmingham.

Whilst the trail is focussed on one small area it reflects the diversity that is found across Birmingham and the West Midlands.

1. The entire route is approximately 2.5 miles so allow about 2 hours which will give you time to stop and take notice what you are seeing.
2. Check the route before you go so you don't get lost.
3. Wear comfortable shoes and take waterproofs if needed.
4. Be aware of your surroundings. Take care crossing roads.
5. Always stop walking when reading the map.
6. Be considerate of other people if walking in a big group or stopping to read the information.
7. Enjoy yourselves! Make the most of being in the area: why not stop for food or a drink at one of the cafés on the Lozells Road?

Scan this QR code for more information, other sights to look out for, and contact details for all the places of worship.
